

PROHIBIT-ICH

Prevention Of Hypertensive Injury to the Brain by
Intensive Treatment in IntraCerebral Haemorrhage

EASTER GREETINGS!

Dear all PROHIBIT-ICH collaborators,

Before we break for the Easter, we would like to update you on the progress of the trial and our plans for PROHIBIT-ICH.

HAPPY EASTER

RECRUITMENT!!

Thank you to Anna Robinson and the UCLH team, who have recruited the first patient on the PROHIBIT-ICH trial!

LET'S GET STARTED

UPDATE:

- The trial has been registered with clinicaltrials.gov and ISRCTN
- We have given the green light to start recruitment in March 2019
- 2 patients have been recruited and randomised from UCLH
- We can now co-enrol with So-START (trial run by Professor Rustam Al-Shahi Salman in Edinburgh)

OUR AIMS:

- Every site to recruit at least one patient every month!

For any queries, please contact: Shahena Butt (shahena.butt@ucl.ac.uk)

We are excited to get this trial up and running this year and we would like to thank you again for your continued help and support!

Kind regards,

Shahena Butt
